Into Action

INDIANS GET SET for overtime play in their victory over a strong Charles Town team.

TIM STEWART battles for a loose ball.

JUNIOR HIGH basketball players who compiled an outstanding 13-3 record are Ricky Blankenship, David Tillery, Ronnie Pelfrey, Bill Harless, Will Stewart, Gary Philpot, Greg Hayes, Henry Cook, Tom Tyree, Ernest Walker, Greg Kirk, and Richard Cook. At front are Coach Gene Gilliland and Manager Eddie Hall.

Junior High Hoopsters Achieve 13-3 Record

"Oceana Junior High had one of the better basketball teams in school history," said Gene Gilliland.

The Papooses wrapped up the season with thirteen victories, losing only to Man, Mullens, and Park Junior High of Beckley, while upsetting these same teams in other games during the season.

One of the taller teams in recent years, Coach Gilliland believes that these boys will do well in junior varsity and varsity basketball.

"They kept improving all season and I believe that they will certainly be doing so next year."

Barely missing first place last year, Stewart returned this year to win in 2:01.8.

An all-round athlete, he was quarterback on the football team and a guard on the basketball team this year.

He was the second Oceana trackman to win an individual event in the State Meet. In 1968, his brother, Tom, finished first in the mile.

Who will build his future in West Virginia?

He can put up a treehouse himself. But building his future in West Virginia is something else. He'll need help. We can do this best by creating opportunities for a full and productive life here. Hope Gas works hard to attract new industries . . . cooperating with state and local agencies to develop the potential of West Virginia. We at Hope think that young people are one of our most important natural resources.
